

**Monday 12<sup>th</sup> March 7.30p.m.**

**Kildare Lodge, Minehead**

***Mobility and Social Mobility***

We are pleased to welcome to the March gathering of West Somerset Together:

**Roland Bushell** of the **Minehead Rail Link Group**, who will lead a discussion on moves to make the Minehead to Taunton railway a public transport service as well as a heritage railway.

**Sally Lowndes** of the **Onion Collective**, who will present on how social enterprise can help social mobility in local communities.

West Somerset is ranked 324<sup>th</sup> out of .....324 in England on the prospects of disadvantaged young people growing up in the area.

Mobility, for example through accessible public transport, can help social mobility by making it easier to reach good jobs.
